

PROPOSED LOWER-TIER SUBCONTRACTORS

Subcontractor shall notify the BUYER at such time that the amount of Lower-Tier Subcontracted effort exceeds or is anticipated to exceed 70 percent of the total cost of the work to be performed under their Subcontract. Notification to BUYER shall include the revised cost of the Subcontract effort and shall include verification that there is added value as related to the work to be performed by the Lower-Tier SUBCONTRACTOR. ALL SUBCONTRACTORS should ensure the amount of lower-tier subcontracted work is less than 70 percent of the total cost of the work to be performed. Lower-tier work exceeding the 70 percent figure will be required to be reported and justified to the Department of Energy Contracting Officer by the BUYER.

Please type or print the names and contact information for all lower-tier subcontractors. Use additional sheets if necessary.

Approximately _____ percent of the total subcontracted award will be performed by the following lower-tier subcontractor:
